RESULTS OF PRIMARY.

In Light Vote Addison County
Votes for Hughes.

Tuesday, May 16, the day of the primaries, passed quietly in Middlebury. Neither the country people nor those from the village manifested much interest in the voting, which was unusually light. There were 143 votes cast, 13 of which were defective. This number is about one-sixth of the usual number of votes polled, which is around 700.

The ballot clerks were C. F. Rogers, C. J. Mathews, F. M. Foote and G. N. Shambo. The assistant clerks were Ed. Seymour, C. W. Tisdale, G. J. Hodges and A. D. Barter.

The polls were open from 12 o'clock till 8, and everything went satisfactorily. It was the first tryout of the direct primaries, and the system worked as harmoniously as could be desired.

The following table gives the complete returns of the vote of the county, with the exception of Granville:

FIRE AT BELDENS.

Branch of Vermont Marble Co.
Totally Destroyed.

Fire early this morning completely destroyed the plant of the Vermont Marble Co. at Beldens. The origin of the fire is supposed to be due to defective wires under the flooring and was soon beyond control. The structure was of wood and was built about 26 years ago. There were 40 men employed at the plant, part of whom will be transferred to the Middlebury branch and others will be sent to the Brandon branch. It has not been decided whether the company will rebuild or not. A large number of people from this village visited the ruins during the day.

SPECIAL TOWN MEETING.

A special meeting of the voters of Middlebury will be held in the town hall Thursday evening, May 25, at 7:30 o'clock to see what action, if any, will be taken relative to permitting the Middlebury Marble company to use their tractor engine on the highway for the carrying of marble and supplies from their quarry in the east part of the town to the freight station. It is hoped to get an expression of opinion at this meeting which will justify the selectmen to allow the company to continue to operate the tractor on the highway as before and under the same conditions. This meeting is called by the executive committee of the board of trade for the purpose of giving the voters a chance to express their opinion. The company has in its employ about 20 men with the probability that the number will be increased from time to time. Selectman Cady, who is also county road commissioner, is said to be in favor of the proposition, to allow the company to continue the use of the tractor, while the other two members of the board are said to be opposed to the permit. There seems to be a general feeling among the business men in Middlebury that the marble company be permitted to continue the use of the tractor on the highway between the quarry and the freight station without infringing on the rights of the people who use the highway. It is hoped that the meeting will be largely attended in order to get a full expression of opinion as to the advisability of continuing the permit for another term.

MEMORIAL EXERCISES.

Prof. Raymond McFarland will deliver the Memorial address in the town hall Sunday, May 28 at 2:30 p. m., to which all are invited. The regular Memorial Day exercises will be held in the town hall Tuesday, May 30. President John M. Thomas will deliver the address. The local fraternal societies have been invited to participate in the exercises. The citizens' committee have arranged an interesting programme which will be carried out and it is hoped the citizens will turn out in large numbers to show their respect to the old soldiers.
